# February Education Sessions

Recovery Alberta

These free sessions are intended to provide community members with information and strategies regarding addiction and mental health challenges that can affect us all.

## More than Just a Bad Day Understanding Depression

In this session, we will discuss what mental health is, the difference between sadness and depression, and common signs and symptoms of depression. Treatment options and supportive strategies for coping and support will be shared.

**Date: Monday, February 9, 2026**

Time: 12:00 – 1:00 pm

For adults supporting their own wellness or the wellness of a loved one.

## Plugging In Enhancing our Mental Health in our Digital Lives

Technology is woven into nearly every part of our daily lives—connecting us, entertaining us, and even supporting our health. But when does helpful tech turn into harmful use? This interactive session explores both sides of our digital world: how technology supports wellness and where it can negatively affect sleep, stress, relationships, and mental health. Together we'll look at problematic screen use and discuss practical strategies to build a healthier relationship with our devices. We'll look at ways to support ourselves and our families towards a more intentional use of technology to support balance and well-being.

**Date: Monday, February 23, 2026**

Time: 12:00 – 1:00 pm

For adults supporting their own wellness or the wellness of a loved one.

## Registration:

Sessions are offered online through the Zoom conferencing application.

A link to access the online session will be sent by email to those who have registered for the session.
