

MALAND MONITOR

John Maland High School

From the
Principal's Desk

Well, only in Alberta could we go from 8 months of winter, skip spring entirely and go to 28 degrees for the weekend...happy summer! It has definitely been an interesting April, and May is promising to be just as interesting...at least here at JMHS.

So much is happening here at the school this month! Everyone is going to need to stay focused on their school work, especially if we continue to get some great weather. First, we finish up the month sending one of our students, Johnna Rymes to the Badminton Provincial Championships in Grimshaw, Alberta and we wish her the best of luck there! As well, we have Track and Field practices beginning May 1st after school, and we hope to defend our Zone Championship that we captured last year. In addition, Rugby will jumping into full swing for both our girls and boys teams, and games and tournaments will be taking place all month long. In addition, our Band students will be recording their only professionally recorded CD, and our Drama Troupe presents Newsies, performing May 29-31 at the Devon Community Hall.

Naturally, there will also be plenty of graduation dress, suit, shoe and hairstyle shopping to do, with Graduation happening June 2nd this year. The Graduation List will be posted at the school later this week, so please have your Grade 12 student check the list to make sure they have met all the requirements. All this, and only 30 more days of classes before the Part A of the English Diploma Exam, and 35 instructional days before exam week begins for all grades.

Again, I would urge everyone to create a study schedule, and to begin even 30 minutes every night right now so no one is left cramming a whole semester of material in the last 2 days, as this does become very stressful and anxious. Relieve the stress and anxiety early by feeling well prepared and ready!

IMPORTANT DATES

CELEBRATION OF THE ARTS

We were extremely proud to be a part of the
Black Gold Regional Schools Celebration of the Arts
at the Winspear Theatre
Friday, April 14th

John Maland High School was well represented by the Stage and
Jazz Bands, Drama Department and Art Students.

Hats off to all who participated and attended
this special production!

STUDENTS UNION

The Dodgeball tournament was a great success, enjoyed by staff & students alike!

The winning team was **The Average Joes** who enjoyed a pizza lunch for their efforts! **CONGRATULATIONS!**

HATS-ON FOR MENTAL HEALTH DAY

WEDNESDAY, MAY 2nd

Donations will be taken and all money raised will go towards a mental health initiative in Devon.

Get ready to

#GetLoud

about what mental health really is.

CMHA Mental Health Week
May 7-13, 2018

WORK
EXPERIENCE!

WHAT IS WORK EXPERIENCE?

Work Experience is a program in which the school and the community combine resources in order to provide opportunities in meaningful work activities.

Work Experience consists of three separate courses, Work Experience 15,25, 35, in which students may obtain three credits for completing an experience equivalent to 75 hours, to ten credits for completing an experience equivalent to 250 hours. This generally works out to 1 credit per 25 hours of work.

The program may be a career exploratory program wherein the student may be given the opportunity to work at two or three occupations. On the other hand, a student may spend all of his or her time with one employer working at one occupation. The experience provides a basis, through observation and supervised participation, for an informed career choice. The module, "Work Place Safety" (HCS3000) must be completed before students will be given credit for their hours.

OBJECTIVES OF THE WORK EXPERIENCE PROGRAM

The expectations for the Work Experience program are that the students will:

- Have an opportunity to participate in meaningful work;
- Gain an understanding of the importance of developing acceptable work habits, good grooming, and the need for self-discipline;
- Develop an understanding of positive attitudes for getting along with people;
- Learn about the organization of business and relationships of employee to employer, unions, and government;
- Explore career opportunities using materials from Counsellor's Office or the internet; and
- Receive assistance in making the transition from the school environment to the work environment.

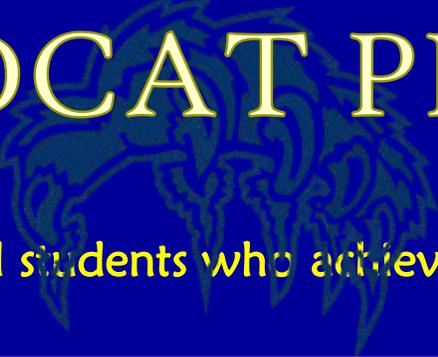

Mr. Couzens has been signing up Grade 11 and 12 students for Work Experience. Students who have taken home contracts to be signed by parents and employers are reminded to hand them in immediately so they can be registered in the course.
